Reviews

"As Laurey, Amanda Rose, is in many ways, superior to …[the actress], who played the role on the West End and…on Broadway…"
-Cape Cod Times

"…Rose, who plays Laurey…is outstanding…Here, the touring cast has one on Broadway and in London…Now, the 'no-name' gets the job done."
-Chicago Buzz Online

"The most impressive performance, however, comes from Rose as Laurey…Her singing is first rate and…she does her own superb dancing in the dream ballet…"
-Talkin Broadway.com

"Rose is a gifted actress-singer-dancer… Moreover, Rose is convincingly tough, feminine, vulnerable and stalwart."
-New Haven Register

"Rose (delightfully spiky)…makes an intriguing Laurey, convincing through her petite soprano and dance technique."
-Los Angeles Times

"…she's a delightfully honest, gutsy, vulnerable actress and a legitimate dancer who does her own dream ballet w/ aplomb."
-Chicago Tribune

"…Rose's voice[as Kathy Seldon] was so crystal clear it reminded me of a young Julie Andrews."
